

○○○○○○○○○○之研究(標號格式範例)

摘要

A 10x10 grid of circles. The first 9 rows are complete, each containing 10 circles. The 10th row contains 9 circles, with the last circle missing. This represents the number 99.

壹、前言

A 7x15 grid of circles. The first six rows are complete, each containing 15 circles. The seventh row contains 14 circles, followed by a single dot at the bottom right.
